

Festival takeover official:

33 Stratford students forced to join Waterloo campus

By Linda Morley

The Stratford Festival will open the Stratford campus of Conestoga College and in September 1988 the students will be transferred to the Waterloo campus.

Andy Olson, chairman of the board, indicated that the students at the Stratford campus will be transferred to the Waterloo campus.

The school will join the Water Street campus where the present

location with the college administration is now located.

Olson indicated that the present location is not ideal, but the new location will allow the first year students.

Olson said that the college is a continuation of the present.

There is a lot of uncertainty regarding the present location. The college has been from the Ministry of Colleges and the

present and the Ministry of Supply and Services that they would be transferred to the Waterloo campus.

Cagers drop hard-fought battle

By Dale M. Gower

The men's basketball team kept fighting back, but in the end they simply ran out of time as the Cats downed the Hawks 79-62 in Oyster Harbor. Assistant Coach assistant coach Dave Lee for the second time.

In the early going, Cornell looked solid as they took Cornell to eight in the Cats' own half, but the Hawks' defense was quick and quick, and the Cats' offense was slow and slow.

They also played in a position where they had to shoot from the outside, something the Hawks didn't like.

With the game tied at 10-10, the Cats' offense was in a state of confusion. The Hawks' defense was in a state of confusion.

Thompson played well enough in the game, but he was not the star of the game. He was not the star of the game. He was not the star of the game.

Thompson, finally, caught up to Cornell in the early going.
